#### Description:

The highly anticipated sequel to the instant #1 *New York Times* bestseller *Children of Eden*.

*Two girls, one destiny.*

Yarrow is an elite: rich, regal, destined for greatness. She's the daughter of one of the most powerful women in Eden. At the exclusive Oaks boarding school, she makes life miserable for anyone foolish enough to cross her. Her life is one wild party after another...until she meets a fascinating, lilac-haired girl named Lark.

Meanwhile, there is Rowan, who has been either hiding or running all her life. As an illegal second child in a strictly regulated world, her very existence is a threat to society, punishable by death...or worse. After her father betrayed his family, and after her mother was killed by the government, Rowan discovered a whole city of people like herself. Safe in an underground sanctuary that also protected the last living tree on Earth, Rowan found friendship, and maybe more, in a fearless hero named Lachlan. But when she was captured by the government, her fate was uncertain.

When these two girls discover the thread that binds them together, the collision of memories means that their lives may change drastically—and that Eden may never be the same.
