Description:

Review "In "Estate Planning for Blended Families," Barnes spells out numerous possibilities and circumstances to meet the myriad needs of readers. Some information may apply to almost all readers in a blended family, such as how to find the right lawyer, dealing with heirlooms, etc. Some

is more circumstance specific. For example, there is a section on "The May-December Romance," with sub-sections: "Providing for the Younger Spouse," "Providing for the Older Spouse's Children," "Providing for Children from the Current Relationship." Barnes keeps the text lively with illustrative examples, graphics and sidebars. This book is informative and interesting. It is not written in legalese but in an easy-to-read format..." (*The Valdosta Daily Times*. 20090502)

"A much needed book that thoroughly covers a complex and emotional topic with great sensitivity and clarity. Anyone with a large family or significant wealth should have this on their shelves just to be prepared." (*JOSEPH H. ASTRACHAN Editor, Family Business Review and Executive Director of the Cox Family Enterprise Center*)

"Blended families face unique challenges when they begin to plan their estates. Richard Barnes' straight forward exploration of many of these challenges makes it a must read for remarried couples." (*JON GALLO, Co-Author, Silver Spoon Kids: How Successful Parents Raise Responsible Children*)
