Description:

Evidence-Based Practice of Palliative Medicine is the **only book** that uses a **practical, question-and-answer approach** to address evidence-based decision making in palliative medicine. Dr. Nathan E. Goldstein and Dr. R. Sean Morrison equip you to **evaluate the available evidence** alongside of current practice guidelines, so you can **provide optimal care for patients and families** who are dealing with

serious illness.

- **Confidently navigate clinical challenges** with chapters that explore interventions, assessment techniques, treatment modalities, recommendations / guidelines, and available resources - all with a focus on patient and family-centered care.
 - **Build a context for best practices** from high-quality evidence gathered by multiple leading authorities.
 - **Make informed decisions efficiently** with treatment algorithms included throughout the book.
 - **Access the complete, fully searchable contents online** at www.expertconsult.com.
