Description:

Review "Finding Camlann is a lovely book, simultaneously an emotional and a historical journey. It finds new things to say about the legend of King Arthur, and says them in a touching and compelling contemporary tale of love." (**Iain Pears, author of *An Instance of the Fingerpost* and *The Dream of Scipio***)

"Finding Camlann delivers a wallop of pleasure to both the head and the heart. It is suffused with an irresistible sense of mystery, its many paths, whether to the unknowable past or to the inner truth of those we love, disappearing into swirling fog." (**Rebecca Goldstein, author of *Thirty-Six Arguments for the Existence of God: A Work of Fiction***)

"Sean Pidgeon has given us an experience so rich and engrossing that attempts to slow my reading to savor the novel longer were foiled by the fact that I couldn't put it down. If you are not already excited by the fascinating legends and vibrant scholarship around King Arthur, you will be once

beginning Finding Camlann.” (**Matthew Pearl, author of *The Dante Club***)

About the Author Sean Pidgeon is a reference publisher at John Wiley & Sons. Born and raised in the UK, he now lives in New Jersey with his American wife and children.
