Description:

Framed around critical elements for success in academically diverse environments, this book gives educators specific, user-friendly tools to optimize teaching, learning, and assessment. Following on the heels of Heacox's best-selling *Differentiating Instruction in the Regular Classroom*, this book offers new ideas, fresh perspectives, and additional research-based strategies designed to help teachers seamlessly integrate differentiation practices into their daily routines. Offers a wealth of practical and specific tools, templates, and checklists. Digital content includes reproducible

forms.
