Description:

Review "In Reznik's debut novel, a woman confronts long-buried secrets when an old college friend commits suicide. . . . While effective as a page turner, the novel also tells a timeless, universal tale of a woman's journey toward self-acceptance. An exciting tale of past crimes and dangerous friendships." --*Kirkus Reviews*

★★★★ "I love a mystery and I love stories about the late 60's/early 70's and this book has both. Really fun read." --Barbara Gaines, Executive Producer, *The Late Show with David Letterman*

★★★★ "Lara Reznik masterfully creates a story that brings the past and present together seamlessly.

. . . I can honestly say it is not often that the plot of a book surprises me the way this one did. This book is truly timeless. I would recommend "The Girl from Long Guyland" to anyone who likes to read no matter what their preferred genre." Katherine Bennett, Reviewer, *Readers Favorite*

From the Author This book is dedicated to all baby boomers who survived the 60's and 70's, as well as those who didn't. Hope you enjoy the ride. --Lara
