#### Description:

*The Trauma-Informed School* is an all-inclusive guide designed to give school administrators of any school (elementary, middle or high school), step-by-step

instructions of how to turn a school of any size into a trauma-informed school. With over 250 pages of content, this guide gives you the protocols you need along with a link to download all the documents needed for a successful implementation.

This well written and well-organized guide was developed from the vast experience of a nationally recognized retired school principal and school consultant (Jim Sporleder) and a nationally recognized trauma expert (Heather T. Forbes, LCSW). The combined work of these two authors is a winning combination that will equip and empower you to become a trailblazer in the area of trauma-informed education.
