Description:

Review Dr. Bullinger takes Psalm 19 and, using it as a base, expands the understanding of astronomy to include confirmation of God's word. This book is of value to the advanced student of Christian evidences, and for the average Christian it will give greater appreciation for God's handiwork in the heavens. (*Gospel Advocate* 2011-12-01) --This text refers to an alternate edition.

From the Back Cover

Building upon ancient astronomical sources and current scientific data, E.W. Bullinger displays how

the constellations bear witness to the accuracy of biblical prophetic truths. Numerous celestial charts and diagrams are provided to lend vivid support to his conclusions. With the psalmist, one discovers that "the heavens declare the glory of God and the firmament showeth His handiwork," thus encouraging Bible students to look upward for the coming of Christ.

Dr. Bullinger takes Psalm 19 and, using it as a base, expands the understanding of astronomy to include confirmation of God's word. This book is of value to the advanced student of Christian evidences, and for the average Christian it will give greater appreciation for God's handiwork in the heavens.
