Description:

Hyde and DeLamater's *Understanding Human Sexuality* examines the biological, psychological, and sociological perspectives of human sexuality, providing practical information needed for everyday living, all with a firm grounding in research. The author team features a unique combination of a psychologist and a sociologist, which gives the program a distinct interdisciplinary perspective. The twelfth edition features a new emphasis on critical thinking skill development, with input from expert Diane Halpern to ensure clarity

and accessibility for students.

The new edition integrates SmartBook, a personalized learning program offering students the insight they need to study smarter and improve classroom results.<?xml:namespace prefix = "o" ns = "urn:schemas-microsoft-com:office:office" />
