**Description:**

Hillary Clinton's new book of essays of stories from her life, up to and including her experiences in the 2016 presidential campaign, has been inspired by the hundreds of quotations she has been collecting for decades:

"These are the words I live by. These quotes have helped me celebrate the good times, laugh at the absurd times, persevere during the hard times, and deepen my appreciation of all life has to offer. I hope by sharing these words and my thoughts about them, the essays will be meaningful for readers." —Hillary Clinton
