Description:

Book Description Gain an inside look at the molecular drama being staged within every cell of the human body -- and a glimpse into the future of medicine -- with Your Body Is Your Subconscious Mind. In her own words, Dr. Candace Pert describes her extraordinary search over the past two decades for the grail of the body's inborn intelligence. Learn the secret of how your emotions literally can transform your body and create your health, with this bestselling author and neuroscientist. --This text refers to an out of print or unavailable edition of this title.
